

GREAT LAKES LIGHTHOUSE KEEPERS ASSOCIATION

We are pleased to say that our 2017 Ultimate Northern Lake Michigan Excursion has completely sold out.

Please check the “EVENTS” link on our website at www.gllka.com to see the other excursions and workshops we have planned for this year.

For example, we have a wonderful three-day excursion scheduled for September which features a cruise up the St. Marys River and the Soo Locks and includes a night in the Grand Hotel.

Thank you very much for your interest in Great Lakes lighthouses.
