# GREAT LAKES LIGHTHOUSE KEEPERS ASSOCIATION

## LISTING OF ALL LAKE MICHIGAN LIGHTHOUSES

Information as to the **Status** of each light is taken from the 2014 US and Canadian Light Lists. **Established** indicates the year in which a light was first exhibited from the same location as the existing light. **Access** indicates whether the light can be accessed by car, or requires a boat. (*Lights located on islands which have regular ferry service are listed as "car."*) **Longitudes** and **latitudes** were identified using Google Earth and the coordinates manually transferred. **Open** indicate whether the lighthouse is open for public access or tours. Lights with a (p) after their names are privately owned and may be occupied by their owners - please respect their right to privacy.
